ANNOUNCEMENT OF THE TWENTY-THIRDCONGRESS OF THE
INTERNATIONAL PRIMATOLOGICAL SOCIETY

EXHIBITOR'S VERSION

**SEPTEMBER 12-18, 2010
KYOTO, JAPAN**

The Twenty-third Congress of the International Primatological Society (IPS) will be held from September 12-18, 2010 in Kyoto, Japan. All meetings will be held at the Yoshida campus of Kyoto University. Information is available at the Congress website (<http://www.ips2010.jp/>). The opening reception will take place on the evening of Sunday, September 12, 2010. Scientific meetings will begin at 9:30 a.m. on Monday, September 13, and end on Friday, September 17. The Congress banquet will be on Friday evening.

IPS is a multidisciplinary association of approximately 1600 professionals and students whose work is focused on nonhuman primates. In recent years, our biennial Congresses have attracted between 400 and 1600 registrants (there are currently almost 1000 registrants for the Congress in Kyoto). Our members include veterinarians, geneticists, psychologists, physicians, neuroscientists, anthropologists, zoologists, conservation biologists, ethologists, zoo professionals, technical personnel, and field assistants mainly from universities, NGOs, zoological gardens, field stations, sanctuaries, and research facilities throughout the world. Both laboratory and field scientists are active members of this society, so there is great interest in data acquisition and analysis equipment and programs; tracking, navigation, and recording equipment; sanctuaries; databases; conservation efforts; research and biomedical instrumentation; books, journals and other information resources; captive enrichment devices, caging, diets, etc.

It is our hope that you will contribute to the success of our Congress by exhibiting materials from your organization. Exhibitors will be assigned space in the same room as the posters, Silent Auction, and a refreshment area. Attendees will be free to examine the exhibits at their leisure from Monday morning through Friday afternoon. Exhibitors will be acknowledged in the Congress program.

If you are interested in exhibiting materials at our Congress, please fill out the exhibitor's reservation form (enclosed) and send (mail, fax, or email) it to me, along with the appropriate fee, by June 1, 2010. If you have additional questions about the meeting, either now or at any time before the meeting takes place, please feel free to contact me. Finally, if you are unable to exhibit materials at our Congress, but wish to offer support for the IPS, we ask that you consider a donation to our organization. Donors will be specially recognized in the meeting program.
